Grade 9 Supply List

2010 – 2011

- One of the biggest challenges during Grade 9 is encouraging and supporting students as they develop organizational skills.
- Students often lose marks due to not having the appropriate materials at the ready, losing hand-in assignments, not being able to find anything in their lockers, etc.
- As parents and a teaching staff we need to encourage and support students to develop organizational skills by helping to equip them with tools to be prepared for classes.
- The following items are required for Grade 9 students at Greenall High School:

ZIPPERED BINDERS ARE NOT ACCEPTABLE FOR GRADE 9 USE
